

How to Make | Devout Disciple

1

Stretch Your String

Pre-stretching your string, will help it not stretch out later on. Give it some good tugs.

2

Tie a Double Knot

This will keep your beads from falling off while you string them on.

3

String Beads

For a size SMALL bracelet you will need:

9 white lace agate | 1 gold bead | 7 white lace agate | 1 gold bead | 9 white lace agate

For a size LARGE bracelet you will need:

11 white lace agate | 1 gold bead | 7 white lace agate | 1 gold bead | 11 white lace agate

Measure as you go to fit your wrist. If you need it smaller or larger, adjust how many you put on the beginning or the end. Keep the 7 white lace agate the same in the middle.
